

POINT WHITE DOCK ISLAND-WIDE USE

USES & AMENITIES:

Scenic views (Port Orchard), wildlife watching, kayaking, diving (underwater habitat), swim at your own risk (currents can be fairly fast at this site).

SITE DESCRIPTION:

Located on Port Orchard, the beach is cobble, and gently sloping. This is a popular site for youth and families. Combine site with walk or bike along Crystal Springs and Point White Drives. Public pier, interpretive panel, bench and garbage on site.

BACKGROUND/ HISTORICAL INFORMATION:

Council approval as public access on 12/18/97. Kitsap County turned over dock and tidelands to Bainbridge Island Park District. Washington Department of Transportation owns parking lot. Historic Steamer Dock site (1910-1930s, and 1950s-1972). Ferry Dock (1942-1950). Native place name: Nibbeville.

MAP & DIRECTIONS:

47°35.98 N 122°34.60 W

Refer to South Bainbridge Area map.

From Lynwood Center, head east on Point White Drive. Drive 2 miles along the water to Point White Dock. Gravel parking lot and turnaround on right.

(15 cars with turnaround area)
